This filly should be good odds and has a strong power rating. Rachel Sells has recorded strong profits (+341% ROI) with horses off the claim. Didn't finish near the top of the field last event - might have to expect more of the same.

Can't make a habit of betting on ponies that rarely win. Paul W Barrow has not gotten the best out of this gelding (28 starts, 4% wins). Jockey's recent numbers with this gelding (15 starts, 0% wins) need improvement.

⚡ This mare should be good odds and has a strong power rating. ⚡ Didn't finish near the front of the field last event - might have to expect more of the same today. ⚡ Just not worth playing - conditioner not winning many races recently.

This jockey/conditioner combo is off kilter right now - not a high winning percentage together. Didn't finish in the top half of the field last race - might have to expect the same result. She doesn't have the winning temperament, tough for her to gain it today.

Finished in the rear of the field last time - not a promising effort. Went in reverse down the stretch last time around the track. Debra A Breed has solid numbers with this filly that point to a strong contender.
