Sire's offspring have produced good returns with maidens (68 starts, +28% ROI) in their first start. Trainer has produced the strongest results in this group of contenders (+75% ROI) with entries in their 1st contest. Significant gains can be had by gambling on first-time-starters out of the Michael J Trombetta stable.

Have to be leery with mounts trained by Jesus Cruz right now - on a bit of a cold streak. This jockey has not produced good dividends (23 starts, 9% wins) with maidens in their first askings. Recently, this jockey and conditioner haven't been winning when they get together.

Finished in the money in the last race. Trainer figures with recent claims have been sad (19 starts, 5% wins, -89% ROI). Have to be worried that this questionable contender added front wraps last time out.

Last out this fine animal put forth a valiant effort. May have to let go of this animal - handler hasn't had the best of luck within the recent past. Can't make the big dough without betting big odds - worth a shot with such a good power rating.

Allen III can make a nice-priced score with this noble animal. Nice power rating. Could be tough to invest in after that last stretch effort. Ferris Allen III does not have the best data in this group of horses with starters moving down the class ladder (43 starts, 9% wins, -55% ROI).

This mount ran a nice one last out. Wagerers should feel comfortable with this selection given the solid Trainer/Horse record (14 starts, 21% wins). Nesvil Hernan Bailon isn't on a real hot streak as of late.

⚠️ This gelding is tried right back into a race in less than 10 days - positive sign. ⚠️ Keep this gelding in your exotics as Jose Corrales has been very successful with this horse (16 starts, 25% wins). ⚠️ When Kevin Gomez and Jose Corrales unite - the return on investment has been wonderful.

Angel Cruz has strong numbers with this gelding that point to a very stong contender. Tough to play this equine with this trainer's lack of recent luck. Badillo-Casado hasn't been getting victories when putting Angel Cruz aboard a horse.

Give this gelding a shot - ran a nice race last time around the track within a month. Rider and handler haven't had much recent good luck together. Absolutely one of the good values in this clash given the power rating.
