Deshawn L Parker and Anthony Farrior perform well when they partner up - strong ROI together. This questionable contender didn't finish near the front of the field last out. This gelding runs very well under Anthony Farrior's training.

Hard to gamble on these non-winning types on the win end. Just not worth it - trainer not winning many races of late. This jockey/handler combo is off kilter right now - not a high winning percentage together.

⚡Figuring this horse to run a good one this time around. ⚡Have to be a little shy about any equine that has added bandages in the last event. ⚡Hasn't scored a victory recently - not worth it on this equine today.

Trainer data with recent claims have been sad (7 starts, 0% wins, -100% ROI). Tough to wager on this animal after the disappointing stretch drive in the last affair. A good effort last race out.

Didn't finish near the top of the field last race - might have to expect similar results. Condition is somewhat in question after the addition of front wraps in the last affair. Folded down the stretch in the last race.
