👍 Last race was a solid effort. 👍 Give this gelding a good shot - ran a strong race last race out within a month. 👍 Most ponies make headway in the second start after their first racing experience.

This mare is in nice physical condition - ended up strong in last outing. Trainer/Horse combination leaves much to be desired (9 starts, 0% wins, -100% ROI). Last event doesn't encourage much faith.

This filly has not run well under Moises Valdez 's training (9% wins). A campaigner coming back this quickly after a solid contest is a good omen. Strong effort by this filly last race out.

Don't see her as a sure thing after that last contest. Hard to play any animal that cannot even score one time in her last ten races. Just not a great bet - trainer not winning many races over the last month.

The enticing odds make this animal an inviting wager with such a strong power rating. May have to skip this one - trainer hasn't had the best of luck these days. Put forth a nice effort in the last race.

Lately, this rider and trainer haven't been winning when they combine forces. Didn't display enough fighting spirit down the lane last time. Finished in the back last time - not a promising effort.

Last time this filly hit the board. Make this filly a solid contender - she comes off a strong effort. This horse hasn't won in her last ten attempts - she's probably not worth the value today.

⚡ Tough to wager on this one after the disappointing stretch run in the last race. ⚡ This horse has no victories in her last ten attempts. ⚡ Don't see her as a sure thing after that last event.

-Also-Eligible

This trainer has entries that have consistently produced quite good board hit percentages when jumping up in class.

This racer hasn't won in her last ten tries - she's probably not worth the value today.

Finished in the back last time - not a promising effort.

Always like to make a wager on any racer with a top power rating at a good price.

Have to be leery with horses trained by Lori Loudin-Smith right now - on a losing streak.

Tread lightly - effort just wasn't strong enough last race.

Terry J Crago hasn't been getting wins when putting Charle Oliveros aboard a horse. Last race doesn't encourage much confidence. Didn't show much willingness during the stretch run last time - be cautious with him.

When Yan Aviles and Rory M Barron work together - the return on investment has been terrific. Rory M Barron has not recorded strong dividends with this gelding. Just not a great bet - handler not winning many races within the recent past.

This horse ran a nice one last time out. Last event doesn't restore much confidence. Trainer is on a cold streak - hard to encourage.

Have to love that latest effort where he ended up strong. Tread lightly with this one - connections have been cold when teaming up. Good effort by this gelding in the last race.

Have to be leery with animals trained by Horacio Barbaran right now - on a losing streak. Didn't show much intestinal fortitude during the stretch drive last time - be cautious with him. Tread lightly - try just wasn't good enough last time out.

⚡Bailey Weatherly and Christi Lynn Esposito perform well when they combine forces - strong ROI together. ⚡Tread lightly - effort just wasn't really enough last time out. ⚡Tough to bet on a horse that loses so frequently.
