Last race was a solid effort. Give this gelding a good shot - ran a strong race last race out within a month. Most ponies make headway in the second start after their first racing experience.

The combination of Joe Stokes and Travis W Short isn't on track recently. This pony coming off a sharp performance in the last month or so is definitely live. Last time this horse finished on the board.

👍 Jockey's recent ROI stats (8 starts, +704% ROI) with this filly make a decent bet. 👍 This pony coming off a nice effort in the last thirty days is definitely live. 🐾 Michael Baird isn't on a hot streak lately.

Last affair was a solid effort. Caution must be used since front bandages were a new feature last outing. This mare is in first-rate condition right now - ran well.

Don't see her as a sure thing after that last contest. Hard to play any animal that cannot even score one time in her last ten races. Just not a great bet - trainer not winning many races over the last month.

She doesn't have the winning attitude, tough for her to capture it today. Tread lightly with this horse - connections have been a bit cold when teaming up. Handler has had a hard time winning races within the recent past.

When this rider and trainer partner up you have to take a look. Denis Cluley's ROI with this horse (+24%) automatically make them a worthy contender. The crowd will undervalue her chances; rates well on power rating.

Don't overlook this mare in your propositions as Jay P Bernardini knows how to get this horse ready. Tough to figure this one winning after finishing near the rear last time. Jockey's recent ROI data (9 starts, +186% ROI) with this mare make a solid bet.

This trainer has entries that have consistently produced quite good board hit percentages when jumping up in class. This racer hasn't won in her last ten tries - she's probably not worth the value today.

Finished in the back last time - not a promising effort.

Always like to make a wager on any racer with a top power rating at a good price. Have to be leery with horses trained by Lori Loudin-Smith right now - on a losing streak. Tread lightly - effort just wasn't strong enough last race.

Terry J Crago hasn't been getting wins when putting Charle Oliveros aboard a horse. Last race doesn't encourage much confidence. Didn't show much willingness during the stretch run last time - be cautious with him.

Have to love that latest effort where he ended up strong. Tread lightly with this one - connections have been cold when teaming up. Good effort by this gelding in the last race.

Didn't display much willingness during the stretch drive last time - be cautious with her. Don't see her as a sure thing after that last contest.

Jockey and conditioner haven't had much recent success together. This less than sharp equine didn't finish near the top of the field last time around the track. Folded in the stretch in the last race.

Bayley Weatherly and Christi Lynn Esposito perform well when they combine forces - strong ROI together. Tread lightly - effort just wasn't really enough last time out. Tough to bet on a horse that loses so frequently.

This racer hasn't won in her last ten attempts - she's probably not worth the value today. Didn't display much intestinal fortitude during the stretch drive last time - be cautious with her. Trainer is on a cold streak - hard to back.

⚡This beautiful animal ran a nice one last out. ⚡May have to pass on this animal - conditioner hasn't had the best of luck lately. ⚡Can't make a habit of betting on ponies that rarely win.
