Surprise package - the crowd may miss out on this horse, ranked well on power rating. Didn't finish near the front of the field last race - might have to expect the same. Recently, this trainer has not produced good profits for gamblers with horses moving down in class.

This questionable contender didn't finish near the top of the field last time around the track. This rider/conditioner combo is a bit cold right now - not a high win percentage together. This equine's trainer hasn't been getting victories often lately.

May have to let go of this animal - jock hasn't had the best of luck over the last month. This racer coming off a sharp try in the last thirty days is definitely live. Just not worth playing - handler not winning many races lately.

Trainer/Horse combination leaves much to be desired (26 starts, 8% wins, -38% ROI). Recently, this jockey and handler haven't been winning when they team up together. This racer didn't finish near the front of the field last out.

This horse should be rumbling down the lane. Difficult to figure this horse winning after finishing in the rear last time.

Wager on this angle - coming back off a nice race within the last thirty days. Faded down the stretch last out - may do it again today. Ramon Salcedo has not gotten the best out of this mare (41 starts, 5% wins).

Tough to figure this horse winning after finishing in the back of the pack last time. Trainer/Horse combination leaves much to be desired (10 starts, 0% wins, -100% ROI). Could be tough to bet on after that last stretch effort.

⚡ This magnificent animal ran a nice one last out. ⚡ Give this mare a shot - ran a sharp contest last race out within a month. ⚡ This jockey/conditioner combo is off kilter right now - not a high win percent together.

⚡ Robert C Cline can make a nifty score with this horse. Nice power rating. ⚡ Tough to play this mare today - handler on a down cycle in recent times. ⚡ Didn't finish near the top of the field last race - might have to expect the same.

Danny R Bird hasn't been getting wins when putting Anthony Y Nunez up aboard. Tough to play this filly today - handler on a down cycle over the last month. Her sire doesn't have a high win percentage with first time starters.

Make a play on this long shot with one of the best power ratings - odds will be right. Tough to figure this animal winning after finishing near the back of the pack last time. T D Houghton and Danny R Bird just haven't been winning together recently.
