Surprise package - the crowd may miss out on this horse, ranked well on power rating. Didn't finish near the front of the field last race - might have to expect the same. Recently, this trainer has not produced good profits for gamblers with horses moving down in class.

This questionable contender didn't finish near the top of the field last time around the track. This rider/conditioner combo is a bit cold right now - not a high win percentage together. This equine's trainer hasn't been getting victories often lately.

Just not worth betting - conditioner not winning many races in recent times. C Louis Bates hasn't been getting wins when putting Yan Aviles on a horse. This equine has no victories in her last ten attempts.

Last affair doesn't bolster much faith. Hard to bet on these non-winning types on the win end. Ivan Vazquez has not gotten the best out of this mare (49 starts, 4% wins).

Trainer/Horse combination leaves much to be desired (26 starts, 8% wins, -38% ROI). Recently, this jockey and handler haven't been winning when they team up together. This racer didn't finish near the front of the field last out.

Tough to figure this horse winning after finishing in the back of the pack last time. Trainer/Horse combination leaves much to be desired (10 starts, 0% wins, -100% ROI). Could be tough to bet on after that last stretch effort.

⚡ Robert C Cline can make a nifty score with this horse. Nice power rating. ⚡ Tough to play this mare today - handler on a down cycle in recent times. ⚡ Didn't finish near the top of the field last race - might have to expect the same.

Doesn't fit here based on Johanna Urieta's record with freshened horses over the last month (6% wins). Didn't show much fortitude during the stretch run last time - be cautious with her. This filly's rider hasn't been getting too many victories in recent times.

Trainer has had a hard time winning races these days. This mount didn't finish in the top half of the field last time around the track. Trainer/Horse combination leaves much to be desired (9 starts, 0% wins, -100% ROI).
