Surprise package - the crowd may miss out on this horse, ranked well on power rating. Didn't finish near the front of the field last race - might have to expect the same. Recently, this trainer has not produced good profits for gamblers with horses moving down in class.

This questionable contender didn't finish near the top of the field last time around the track. This rider/conditioner combo is a bit cold right now - not a high win percentage together. This equine's trainer hasn't been getting victories often lately.

This magnificent animal ran a nice one last out. Give this mare a shot - ran a sharp contest last race out within a month. This jockey/conditioner combo is off kilter right now - not a high win percent together.

Robert C Cline can make a nifty score with this horse. Nice power rating. Tough to play this mare today - handler on a down cycle in recent times. Didn't finish near the top of the field last race - might have to expect the same.

May have to let go of this one - rider hasn't had the best of luck within the recent past. This mare faded in the lane - not a good omen. Lately, this jock and trainer haven't been winning when they get together.

A strong effort in the last race. This jockey and trainer have a lucrative ROI when they unite. Wager on this angle - coming back off a solid race within the last month or so.
