Flint W Sities has not been among the best trainers with freshened horses. Tough to wager on this horse after the disappointing stretch drive in the last race. Hard to figure this horse winning after finishing near the rear last time.

Hard to figure this animal winning after finishing near the back of the pack last time. Rider hasn't had the best win percent recently - may have to pass. Didn't show much willingness during the stretch drive last time - be cautious with him.

Have some doubts when any equine has front wraps added in the last contest. Jockey and conditioner haven't had much recent good fortune together. Don't see her as a sure thing after that last clash.

⚡Brandon L Kulp has solid numbers with this gelding that point to a very strong contender. ⚡Finished in the second half of the pack last time - not a great sign. ⚡Faded in the homestretch last time around the track - may do the same thing.

Last event was a good effort. Lately, this rider just doesn't seem to be able to buy a win. Didn't show much willingness during the stretch run last time - be cautious with him.

⚠️Didn't display much intestinal fortitude during the stretch drive last time - be cautious with him. ⚠️This horse hasn't won in his last ten attempts - he's probably not worth the value today. ⚠️Handler hasn't had the highest win percentage recently - have to skip.

John T Kirby has an above average ROI (+73%) with this horse. Needs to be considered as John T Kirby has been among the best trainers (+29% ROI) with recent claims. Tough to play this one after the disappointing stretch run in the last affair.

Will run better than foreseen with such a strong power rating - strong price potential. Lately, this rider and handler haven't been winning when they get together. May have to pass on this animal - handler hasn't had the best of luck recently.
