This horse is in nice condition - ended up strong in last outing. When Jr Alfredo J Juarez and Jr Jose R Gonzalez work together - the return on investment has been great. Sprinters that come back to the races quickly are generally good plays.

Was rock solid last race. This gelding is back soon - sprinters that come back quickly are generally good plays. Dick Cappellucci brings him back again - propose you stick with this horse.

⚠️This animal's trainer hasn't been victorious often recently. ⚠️The jockey and conditioner duo have a beneficial return on investment when they combine forces. ⚠️Faded down the homestretch last race out - may do the same thing today.

Landed in the top three in the last affair. Have to like that recent contest where she ended up strong. Trainer/Horse combination leaves much to be desired (8 starts, 0% wins, -100% ROI).

Have to be leery with animals trained by Jeff D Hudson right now - on a bit of a cold streak. Didn't display enough mettle in the home stretch last time.

This pony didn't finish near the front of the field in the last race. Didn't exhibit much fortitude during the stretch run last time - be cautious with her. Jeff D Hudson isn't on a winning streak right now.

Tough to play this filly today - handler on a down cycle over the last month. This jockey is on a chilly streak. Don A Young hasn't been getting wins when putting Jacquelyn Bobroff on a horse.

Finished runner-up, but easily second over the third horse. Trainer/Horse combination leaves much to be desired (6 starts, 0% wins, -100% ROI). This racer coming off a strong performance in the last thirty days is definitely live.

Trainer/Horse combination leaves much to be desired (21 starts, 5% wins, -75% ROI). Casey T Lambert has not done well these days with freshened horses (5% wins). Tread lightly - stretch effort just wasn't enough last out.

⚡ Finished in the second half of the field last time - not a great sign. ⚡ The addition of front wraps last race out is usually a sign of slumping form. ⚡ Always a smart play to bet sprint horses that make a fast turnaround.

⚡ Good power rating - given odds underestimate this gelding's possibilities - good price play. ⚡ Have to like that most recent contest where he ended up strong. ⚡ Questionable contender added front bandages in his last dash - not a good sign.

Just not worth betting - handler not winning many races these days. This gelding faltered in the homestretch - not a positive signal. Finished in the back of the pack last time - not a great endorsement.

Hard to wager on Jacquelyn Bobroff right now - not enough wins recently. This jockey/handler combo is cold right now - not a high win percent together. Trainer has had difficulty winning races lately.

This gelding is in fine physical condition - ran strong in last outing. Last out this mount put forth a fine effort. Wilted in the lane last race out.

Class droppers out of this trainer's barn have produced some of the strongest gains in this group of the horses in this race (+32% ROI). Could be tough to invest in after that last stretch performance. Tracy J Hebert's ROI with this horse (+87% ROI) automatically make them a solid contender.

Jock hasn't had the best winning percent as of late - may have to pass. The combination of Jorge Carreno and Edwin A Martinez isn't on track recently. Last event doesn't bolster much confidence.
