The expected odds make this horse a strong play with such a strong power rating. Was out of the top half of the field last time around the track. Terry Neubuhr hasn't been getting victories when putting Sheldon Chickeness aboard a horse.

Have to be leery with animals trained by Tiffany Husbands right now - on a cold streak. Can't bet on this filly with her sire's lack of success with first time starters. Javaniel R Patterson hasn't been on a winning streak of late.

⚠️This trainer has horses that have consistently produced respectable board hit percentages when moving down in class (30% wins). ⚠️Lately, this rider just doesn't seem to be able to buy a win. ⚠️Didn't finish in the top half of the field last race - might have to expect the same today.

Have to be leery with animals trained by Jennifer Jordan right now - on a losing streak. Tread lightly with this horse - connections have been not in sync when teaming up. His sire doesn't have a high win percent with first time starters.

A pony coming back this soon after a good contest is a good signal. Tread lightly - attempt just wasn't enough last out. This jock/conditioner duo has been producing a very beneficial ROI.

This gelding should go off at good odds and has a strong power rating. Jason Homer has not gotten the best out of this gelding (13 starts, 8% wins). This jock/conditioner combo is cold right now - not a high winning percent together.

Expect this fine animal to astonish some railbirds this time around. This trainer has not produced good returns with entrants moving up in class (48 starts, 4% wins, -87% ROI). Don't really like the last attempt - in the back of the pack.
