Shouldn't miss a chance with this this filly in your prime wagers; very dangerous with Rachaad Knights aboard (6 starts, 50% wins). Place a bet on this overlay with one of the best power ratings - price will be right. This jock and conditioner have a positive return on investment when they join forces.

Handler hasn't had the greatest win percentage lately - have to take a pass. Not investing on this one after the last attempt. Recently, this rider and handler haven't been winning when they get together.

Good power rating - likely odds underestimate this gelding's possibilities - strong price potential. Mount added bandages in his last affair - not a good sign. Not investing on this horse after the last try.

Last affair doesn't inspire much confidence. Give this gelding a good shot - ran a good race in the last race within a month. The combination of Sheldon Chickeness and Perry Cavanaugh isn't on track lately.

Anticipating this fine animal to run a strong race this time. This less than sharp equine didn't finish in the top half of the field last out. Didn't exhibit much fortitude during the stretch drive last time - be cautious with him.

Definitely one of the value wagers in this contest given the power rating. Tough to wager on this horse after the disappointing stretch drive in the last affair. The combination of Kerron Khelawan and Keith Pedersen isn't on track lately.

Jason Homer has very stong numbers with this gelding that point to a strong contender. Such an easy win last time. This jockey/conditioner twosome has a strong return on investment together.

Jerry Gourneau has not recorded strong dividends with this colt. This questionable contender hasn't won in his last ten efforts - he's probably not worth the value today. Didn't finish near the front of the field last affair - might have to expect the same result today.

The combination of Roger Hewitt and Andre Ellis isn't on track lately.

This equine has no victories in his last ten attempts.

Put forth a nice effort in the last event.

⚠️Not betting on this horse after the last venture. ⚠️Maria Stanford hasn't been victorious when putting Mathew Bennett on a horse. ⚠️This gelding is in top form right now - finished well.

⚠️Clearly one of the good values in this contest given the power rating. ⚠️Trainer/Horse combination leaves much to be desired (7 starts, 0% wins, -100% ROI). ⚠️This runner hasn't won in his last ten efforts - he's probably not worth the value today.

⚡Don't like the case that wraps were a new feature last race. ⚡This less than stellar equine didn't finish near the front of the field last race out. ⚡Good return on investment for this jock and handler duet.

May have to pass on this animal - jockey hasn't had the best of luck within the recent past. Don't really like the latest attempt - in the back of the pack. The stretch effort in the last affair leaves much up in the air.
