Not wagering on this animal after the last venture. Tough to bet on this animal after the disappointing stretch run in the last event. When Yarmarie L Correa and Kevin Fletcher work together - the ROI has been fabulous.

Have to be on the alert for this horse in this class. Didn't finish in the top half of the field last event - might have to expect the same. Tough to play this horse with this handler's lack of recent luck.

He doesn't have the winning mental state, tough for him to obtain it today. With Rishawn Blanche aboard this horse, may have to pass on this gelding. This horse coming off a sharp effort in the last thirty days is definitely live.

This filly is in nice condition, having run a strong race last time out. Definitely a value play with such a good power rating - might payoff big. Recently, this jockey just doesn't seem to be able to buy a win.

Stephen S Sandy has this mare entered in the right contest. This rider/handler combo is not in sync right now - not a high winning percentage together. Tough to support any animal that runs as well as she did, then lays up and doesn't workout.
