This racer is very sharp right now - Jerry Antonuik brings her right back. Tread lightly with this horse - connections have been not in sync when teaming up.

Has strong Dam profits (20% wins) and may be worth the precarious nature of a two year old race. Jockey information with 2 year olds have not been very good (24 starts, 0% wins, -100% ROI). Cirilo Gorostieta has sad returns (-100% ROI) with 2yolds.

Good power rating - morning line odds underestimate this filly's possibilities - play at a price. Didn't finish near the top of the field last affair - might have to expect more of the same. With Jr Orlando Mojica aboard this horse, may have to pass on this filly.

This mount should be thundering in the stretch.

Didn't display much willingness during the stretch run last time - be cautious with her.

Dam's turf offspring have not produced good dividends (22 starts, 9% wins, -74% ROI). A pony coming back this soon after a solid contest is a good signal. Tough to bet on this one after the disappointing stretch drive in the last affair.

Surely one of the value plays in this contest given the power rating. Santiago Gonzalez and Ramon Salcedo just haven't been victorious together recently. Out of the top half of the field in the last race.

Finished in the second half of the pack last time - not a terrific sign. Turf starters by this Sire have not shown good returns (8% wins -15% ROI). May have to let go of this one - trainer hasn't had the best of luck of late.
