Second lifetime outing - horse will improve off of last race. A campaigner coming back this rapidly after a good effort is a good sign. Recently, this jockey and trainer haven't been winning when they team up together.

Don't really like the recent attempt - in the back of the pack.

The education from his first outing should prove useful today.

Tough to play this horse after the disappointing stretch run in the last event.

Alonso Quinonez and Troy A Bethke haven't been a strong team lately. Trainer's recent ROI stats (+82%) with this colt make a strong bet. Wilted in the home stretch last time around the track.

This race horse should be rocking and rolling in the stretch. Finished in the back last time - not a great endorsement. This jock/handler combo is a bit cold right now - not a high win percentage together.

Have to make this mare a solid contender - she comes off a sharp contest. This jockey/handler combo is a bit cold right now - not a high win percentage together. Tread lightly - attempt just wasn't enough last race.

Looked good last time, but no morning activity since is a bit troublesome. Tough to play this animal after the disappointing stretch run in the last race.

You shouldn't overlook this one based on Sire's offspring turf numbers (103 starts, 18% wins). Could be tough to wager on after that last stretch drive. Difficult to figure this animal winning after finishing in the back of the pack last time.

This filly has not run well under Victor Hanson 's training (0% wins). Finished in the second half of the field last time - not a promising effort. Didn't display much intestinal fortitude during the stretch drive last time - be cautious with her.
