Trainer/Horse combination leaves much to be desired (8 starts, 0% wins, -100% ROI). This gelding wilted in the stretch - not a positive signal. Tough to figure this horse winning after finishing near the back of the pack last time.

Definitely a value bet with such a good power rating - may payoff big. Didn't finish near the front of the field last event - might have to expect more of the same today. Could be tough to wager on after that last stretch effort.

A nice performance last time around the track. This filly is in nice physical condition - ended up strong in last outing. Most horses mature in the second outing after their first visit to the track.

Nice effort by this mare last time out. This trainer has done mediocre recently (-55% ROI) with horses claimed. This mare just keeps on getting victories.

Have to be leery of any horse that has added wraps in the last event. Last race doesn't inspire much faith. Went backward down the stretch last time around the track.

Last affair was solid. Could be tough to invest in after that last stretch performance. When Declan Cannon and Brian Knippenberg combine forces - the return on investment has been great.

Many positive 'vibes' joined to this campaigner and her barn. This mare faltered down the stretch - not a positive signal. Jockey and conditioner haven't had much recent good luck together.

The tantalizing odds make this animal an inviting bet with such a strong power rating. Gamblers should note dam's 2 year old offspring have not generated good dividends (6 starts, 0% wins, -100% ROI). The maturity gained from her first start should prove significant this time around.

Didn't finish in the top half of the field last affair - might have to expect more of the same. Trainer's recent ROI figs (+18%) with this filly make a very good bet. Could be tough to invest in after that last stretch effort.

A strong effort last time around the track. Francisco Arrieta and Norm W Casse perform well when they join forces - strong ROI together. Just not a worthwhile play - handler not winning many races recently.

This horse just keeps on getting wins. Always love to put some dough on any mount with a top power rating at a good price. Dam's turf offspring have given really strong profits (25 starts, 28% wins, +50% ROI).

Don't see him as a sure thing after that last affair. May have to let go of this one - conditioner hasn't had the best of luck these days. Turf starters out of this Dam have produced some of the strongest profits in this group of the horses in this race (49 starts, 18% wins, +78% ROI).

⚠️Shouldn't skip this horse as trainer has been solid with 1st time starters. ⚠️Players may be making an unsafe move with this jockey working with a 1st time starter (102 starts, 18% wins, +31% ROI). ⚠️She doesn't have a lot of experience, but with her pedigree, should run well.
