Don't knock the in the money finish in the last race. Tough to wager on this horse after the disappointing stretch drive in the last event. Have to like that latest race where he finished strong.

Jockey's recent ROI data (8 starts, +53% ROI) with this colt make a competitive bet. The stretch display in the last race leaves much unanswered. Last race doesn't encourage much confidence.

Alexis Rivera can make a nifty score with this magnificent animal. Nice power rating. Tread lightly - attempt just wasn't strong enough last race. Tough to play this one after the disappointing stretch drive in the last race.

☹ Have to be leery with animals trained by Osvaldo Osorio right now - on a losing streak. ☹ Finished in the back of the pack last time - not a promising effort. ☹ Can't make a habit of betting on ponies that rarely win.

Tread lightly with this horse - connections have been off kilter when teaming up. This horse faded down the stretch - not a positive signal. Have to be leery with horses trained by Tony S Sciacca right now - on a chilly streak.

Put some dough on this overlay with one of the best power ratings - price will be right. Tough to play this one after the disappointing stretch run in the last race. Not making a wager on this one after the last attempt.

Jorge I Velez and Osvaldo Osorio haven't been a strong team recently. A pony coming back this rapidly after a good effort is a good omen. This mare is entered right back into a race so quickly - she's fit and ready.

Have to wager on her if she goes off at a good price with such a strong power rating. Gamblers beware of this trainer when dropping horses in class (64 starts, 33% wins). Finished in the second half of the pack last time - not a great endorsement.

☹️This mare has not run well under Juan Carlos Ramos's training (0% wins). ☹️This is a racer that just doesn't win - can't play her. ☹️Trainer is on a chilly streak - hard to support.

Definitely a value bet with such a good power rating - might payoff big. Handler has had difficulty winning races over the last month. Last affair doesn't restore much confidence.

Second lifetime outing - horse could get better off of last. Tough to play this animal with this trainer's lack of recent good luck. This filly should go off at a nice price and has a strong power rating.

Could be tough to wager on after that last stretch effort. Most ponies get better in the second outing after their first track experience.
