Have to watch out for this horse in this affair. Last affair doesn't bolster much faith. Gilberto Escobar has not recorded strong profits with this gelding.

With some experience under her belt, expect an improved performance. Invest in this angle - coming back off a sharp effort within the last month or so. She finished runner up in last outing, but was well clear of the 3rd horse.

With an initial effort under her belt, expect an improved performance. Back peddled in the lane last out. Tread lightly with this horse - connections have been a bit cold when teaming up.

Have to gamble on her if she goes off at high odds with such a strong power rating. Second lifetime start - horse will mature off of last race. Anderson Santiago has sad returns (-100% ROI) with 2yolds.

No substitute for maturity gained - watch for an improved performance second time out. Needs to be considered as Javier Santiago has been among the top with 2 year olds (38 starts, 29% wins, +68% ROI). Last event was a strong try.

Just not worth playing - conditioner not winning many races recently. Tread lightly with this horse - connections have been off kilter when teaming up. This horse's rider hasn't been getting many victories these days.
