☹️This filly wilted in the homestretch - not a good omen. ☹️Didn't finish near the front of the field last event - might have to expect similar results.

☹️Always like to put some dough on any animal with a top power rating at a good price. ☹️This less than stellar equine didn't finish near the top of the field last time around the track. ☹️Didn't display much fortitude during the stretch run last time - be cautious with her.

☹️Sprinters that come back to the races quickly are generally good plays. ☹️The stretch try in the last race leaves much unanswered. ☹️Didn't finish in the top half of the field last race - might have to expect the same.

 The jockey and handler duo have a favorable ROI when they team up.  Didn't finish in the top half of the field last event - might have to expect more of the same today.  Didn't exhibit much willingness during the stretch run last time - be cautious with him.

👍 Last affair was a good effort. 🐾 Trainer/Horse combination leaves much to be desired (12 starts, 8% wins, -47% ROI). 👍 Have to gamble on her if she goes off at a good price with such a strong power rating.

👍 Last out this mount put forth a fine outing. 👍 This campaigner coming off a nice try in the last month or so is definitely live.

⚡This jockey/conditioner combo is not in sync right now - not a high winning percent together. ⚡Tough to play this mare today - handler on a down cycle over the last month. ⚡Last race doesn't bolster much confidence.

This filly is in nice condition, having run a good race last time out. Was live last out. Definitely a price play with such a good power rating - may payoff big.
