👉 He finished runner up in last outing, but was well ahead of the 3rd horse. 🐾 This rider is on a losing streak. 👉 Give this colt a good shot - ran a nice race last race out within a month.

Surprise package - the public may miss out on this animal, ranked well on power rating. Don't really like the last undertaking - in the back of the pack. Faltered down the homestretch in the last race - may do more of the same.

Was very solid last time. Jorge Ruiz and Steve Klesaris haven't been a winning combination recently. Didn't show much fortitude during the stretch run last time - be cautious with him.

⚡Rider hasn't had the highest win percentage as of late - may have to pass. ⚡This filly is in fine physical condition, having run a strong race last time out. ⚡Tough to play this equine with this handler's lack of recent good luck.

Always like to take a chance on any mount with a top power rating at a good price. Don't knock the in the money finish last time around the track. Jack and conditioner haven't had much recent luck together.

👍

Can't win big money without betting high-priced horses - take a stab with such a good power rating. 🐾His trainer has not done well with horses moving up the class ladder (36 starts, 6% wins, -8% ROI). 🐾Tough to play this horse with this conditioner's lack of recent success.

This gelding is in fine condition - finished strong in last outing. Don't like the hard fact that front wraps were a new feature last race. This jockey/trainer duo has been producing a very favorable ROI.

| This gelding is in good physical condition - finished strong in last outing. Don't pass on this gelding in your wagers as Mark E Casse knows how to get this horse ready. Finished in the back half of the field last time - not a promising effort. |  |  |  |  |  |  |  |  |  |                                                   |  |                                                                                                                                               |  |                                        |   |   |   |     |  |                                    |  |  |  |                                  |    |    |   |           |           |                                    |  |  |  |  |  |  |  |  |  |

Place a bet on this long shot with one of the best power ratings - odds will be right. Class droppers out of this trainer's barn have not produced the best profits in this group of animals (41 starts, 7% wins, -58% ROI). Can't make a habit of betting on ponies that rarely win.
