The rider and handler duo have a lucrative ROI when they unite. ⚠️Don't see him as a sure thing after that last event. ⚠️Didn't display much fortitude during the stretch drive last time - be cautious with him.

This jock and trainer's animals have been producing a positive return on investment. ⚠️Good power rating - morning line odds underestimate this gelding's chances - strong price potential. ⚠️Give this gelding a good chance - ran a nice race last out within a month.

Junior Dolphus brings him back again - recommend you stick with this racer. Nice performance last race out. Tough to wager on this horse after the disappointing stretch run in the last race.

This mare has not run well under Junior Dolphus 's training (0% wins). This mare is back soon - sprint horses that come back quickly are generally good plays. Finished in the money last time out.

The rider and conditioner duo have a favorable return on investment when they partner up. When one sees a two year old with powerful sire statistics, a closer look is warranted. This gelding is in top condition right now - ended up well.

Definitely one of the value wagers in this clash given the power rating. Dean Martin brings him back again - advocate you stick with this steed. Very easy win last race.

Was very solid last race. Tread lightly with this horse - connections have been cold when teaming up. Hard to play this gelding today - jockey's winning percentage lately has been lackluster.
