Put forth a good performance in the last race. Wilted in the home stretch last time out. A campaigner coming back this promptly after a good effort is a good sign.

Stephen Murdock brings her back again - recommend you stick with this magnificent animal. Nice effort by this filly last time out. Have to be worried that this steed added front wraps last time around the track.

Just not worth it - conditioner not winning many races of late. Tough to wager on this animal after the disappointing stretch drive in the last affair. This jockey/trainer pair has a favorable return on investment.

Put forth a good performance in the last race. The stretch performance in the last race leaves much unanswered. Looked like she was in good form last outing - hasn't been near the track since then though.

Recently, this jockey and handler haven't been winning when they combine forces. Filtered in the stretch last time out - may do more of the same. Don't really like the most recent undertaking - in the back of the pack.

Good power rating - expected odds underestimate this filly's possibilities - strong price potential. A campaigner coming back this quickly after a good outing is a good omen. Put forth a nice effort in the last race.

Trainer's recent ROI numbers (+109%) with this mare make a solid bet. The stretch performance in the last event leaves much to be wished for. Don't see her as a sure thing after that last event.
