Last out this beautiful animal put forth a strong attempt. Tough to support any horse that runs as well as she did, then lays up and doesn't workout. Trainer Christopher M Keller has this mare ready to roll. Good team.

The crowd will undervalue her chances; rates well on power rating. Don't really like the last undertaking - in the back of the pack. Didn't exhibit much intestinal fortitude during the stretch drive last time - be cautious with her.

Good power rating - expected odds underestimate this filly's possibilities - strong price potential. A campaigner coming back this quickly after a good outing is a good omen. Put forth a nice effort in the last race.

Good power rating - likely odds underestimate this filly's chances - have to play at a price. Tread lightly with this one - connections have been cold when teaming up. Tread lightly - try just wasn't nearly good enough last time out.

Victor Rodriguez has done exceptionally well (30% win) with this filly. A horse coming back this rapidly after a nice contest is a good omen. Trainer's recent ROI information (+68%) with this filly make a respectable wager.
