Have to love that recent contest where she finished strong. Can't overlook the in the money finish last time around the track. Her trainer has not done well with horses moving up the class ladder (29 starts, 7% wins, -16% ROI).

Definitely a value play with such a good power rating - may payoff big. Difficult to figure this animal winning after finishing near the back last time. The stretch try in the last affair leaves much to be wished for.

Have to be leery with mounts trained by Cesar Nambo right now - on a bit of a cold streak. This jock/conditioner combo is off kilter right now - not a high win percentage together. Faltered in the stretch last time out - may do the same.

Turf starters out of this Dam have shown sound profits (16 starts, +28% ROI). Investors should feel comfortable with this pick given the solid Trainer/Horse record (23 starts, 26% wins). When this rider and trainer partner up you have to take a look.

Can't make the big dough without betting big odds - worth a stab with such a good power rating. Have to be worried that this horse added front wraps last out. Didn't finish near the top of the field last race - might have to expect the same result today.

A nice effort last race out. Hasn't scored a victory recently - not worth it on this horse today. Turf starters by this Sire have not shown good returns (8% wins -55% ROI).

 With Gomocio S Yancapallo aboard this horse, may have to pass on this mare. Have to be apprehensive of any equine that has added wraps in the last contest. Gomocio S Yancapallo and Jesus Rodriguez just haven't clicked together lately.

 Should run better than hoped for with such a strong power rating - strong long shot play. Hard to figure this horse winning after finishing in the back of the pack last time. This mare faltered down the lane - not a positive signal.

The stretch display in the last race leaves much unanswered. This animal's conditioner hasn't been winning often recently. Didn't finish in the top half of the field last event - might have to expect the same.

Finished in the rear of the field last time - not a ringing endorsement. Have to love that latest race where he ran strong. The jockey and conditioner duo have a beneficial ROI when they combine forces.

With Jr Felix Vasquez aboard this equine, may have to let go of this horse. Finished in the back of the pack last time - not a terrific sign. Handler hasn't had the highest win percentage lately - have to take a pass.

Just not worth it - trainer not winning many races recently. This racer didn't finish near the front of the field last time out. Didn't show much fortitude during the recent run last time - be cautious with him.

Emanuel Rosario and Lynn A Ashby haven't been a winning combination recently. Sire's turf foals have not been profitable propositions lately (-19% ROI). Could be right there at the finish based on formidable results of the Dam's foals on the turf (37 starts, 16% wins, +4% ROI).
