Her trainer has done strongly with horses dropping down the class ladder (90 starts, 19% wins, +38% ROI). The expected odds make this one a nice play with such a strong power rating. This is a horse that just doesn't win - can't play her.

This is a campaigner that just doesn't win - can't play her. Jock hasn't had the highest win percent as of late - may have to take a pass. Tread lightly with this horse - connections have been a bit cold when teaming up.

⚠️ This less than sharp equine didn't finish in the top half of the field last time out. ⚠️ Folded in deep stretch last time around the track. ⚠️ Can't make a habit of betting on horses that rarely win.

Trainer hasn't had the top win percent as of late - have to pass. Shins may have ailments since they added front bandages in the last clash. This jockey/handler combo is cold right now - not a high win percentage together.

This less than stellar equine hasn't won in his last ten efforts - he's probably not worth the value today. Tough to play this horse with this trainer's lack of recent good fortune. This gelding runs soundly under Nesvil Hernan Bailon's training.

Trainer has had an awful time winning races within the recent past. Lately, this jockey has not shown good returns (-76% ROI) with first time entries (32 starts, 9% wins, -76% ROI). This rider and handler have a profitable ROI when they work together.

Trainer has not produced the best results in this group of the horses in this race with horses moving up in class (32 starts, 3% wins, -83% ROI). This campaigner coming off a solid race in the last month or so is definitely live. When this rider and handler unite you have to take a look.
