Make a play on this long shot with one of the best power ratings - odds will be right. This filly faded down the stretch - not a positive signal. With a race under her belt, expect an improved performance.

No substitute for knowledge gained - watch for an improved performance in the second start. Rider hasn't had the best winning percentage as of late - may have to pass up. This filly should be a price and has a strong power rating.

This jockey/handler combo is not in sync right now - not a high win percent together. Wagerers may be making a precarious move with this jockey working with a first time starter (62 starts, 26% wins, +10% ROI). Needs to be considered as Joel Rosario has been among the most respectable with 2 year olds (120 starts, 20% wins, +25% ROI).

Feel free to pass on this horse given the poor jockey numbers with 1st time starters (33 starts, 3% wins). When Julien R Leparoux and Jr Robert B Hess combine forces - the ROI has been fantastic. This colt's jockey hasn't been getting too many victories within the recent past.

⚡Keep this horse in your exotics as Val Brinkerhoff has been very successful with this horse (32 starts, 19% wins). ⚡Tyler Baze and Val Brinkerhoff perform well when they unite - strong ROI together. ⚡Didn't display much courage during the stretch drive last time - be cautious with him.

5 Nijinsky Halo

No substitute for maturity gained - watch for an improved performance in the second start. Jock and trainer haven't had much recent good luck together. Didn't finish near the top of the field last affair - might have to expect the same result today.

Brian J Koriner can make a nice-priced score with this racer. Nice power rating. Don't see him as a sure thing after that last affair. Trainer statistics with horses off the layoff have not been good (25 starts, 8% wins, -73% ROI).

May have to let go of this animal - trainer hasn't had the best of luck of late. Sire's turf offspring have been poor (24 starts, 4% wins, -90% ROI). Peter Eurtion hasn't been victorious when putting Armando Ayuso in the saddle.

Kyle Frey and Anthony K Saavedra just haven't clicked together recently. Conditioner has had a tough time winning races lately. Caution must be used since wraps were new equipment last outing.

Always love to take a risk on any horse with a top power rating at a good price. The combination of Tyler Baze and Richard Baltas isn't on track lately. Didn't finish near the top of the field last race - might have to expect more of the same today.

Good power rating - given odds underestimate this filly's probabilities - strong price play. Second outing - horse will make headway off of the last one. Two year olds for this jockey have not produced some of the best dividends (7% wins, -10% ROI) in this group of horses.

Needs to be considered as Paula S Capestro has been among the best trainers with two year olds. This filly is in nice form, having run a strong race last time out. Most horses get better in the second outing after their first horse racing experience.

Most ponies make progress second time out after their first track experience. Joel Rosario and Simon Callaghan haven't been a winning combo recently. Fits in well here based on Joel Rosario's very solid results with 2 year olds (20% wins) over the last month.
