Last race was solid. This trainer has not produced good returns with entrants moving up in class (65 starts, 9% wins, -40% ROI). Doesn't fit here based on Frank Lucarelli's record with freshened horses in recent times (9% wins).

Alex M Cruz has not gotten the best out of this mare. Tread lightly with this horse - connections have been not in sync when teaming up. Hard to figure this horse winning after finishing near the back last time.

Give this mare a shot - ran a good effort last race out within a month. Hard to wager on these non-winning types on the win end. Finished out of the top half of the field last race out.

Put forth a nice performance in the last race. Have to be leery with horses trained by Steve C Fisher right now - on a bit of a cold streak. Hard to play any animal that can't even triumph one time in her last ten races.

With Javier Matias aboard this horse, may have to skip this filly. Recently, this trainer has not produced good profits when moving horses up in class (39 starts, 8% wins, -53% ROI). Don't really like the most recent attempt - in the back of the pack.

Tough to play this gelding today - trainer on a down cycle in recent times. Didn't finish near the top of the field last race - might have to expect the same. Tread lightly with this animal - connections have been cold when teaming up.

This magnificent animal should be motoring in the homestretch. Have to be apprehensive of any horse that has added front bandages in the last affair. The lack of morning blow outs is troubling despite the nice performance in the last competition.
