This Dam's foals have consistently produced strong board hit percentages in their 1st race. Tough to play this equine with this handler's lack of recent good luck. 1st time starters of this Sire have been sad (35 starts, 9% wins).

When Thomas L Pompell and Edith A Mojica combine forces - the return on investment has been great. May have to skip this horse - conditioner hasn't had the best of luck recently. Could be right there at the finish based on formidable results (42 starts, 21% wins) of the jockey with juveniles.

Definitely a value play with such a good power rating - might payoff big. Wraps were added last time out - doesn't bode well for today's contest. Finished in the second half of the pack last time - not a ringing endorsement.

Risk takers should feel comfortable with this choice given the solid Trainer/Horse record (21 starts, 33% wins). Faded down the stretch last time around the track - may do the same thing. Not making a bet on this horse after the last try.

Allen Landry has very solid numbers with this mare that point to a very solid contender. Have to love that last effort where she ended up strong. Good return on investment for this rider and trainer pair.

A pony coming back this promptly after a nice outing is a good signal. Ronnie P Ward has a strong ROI (+116%) with this horse. Carlos Perez's ROI with this horse (+147% ROI) automatically make them a very solid contender.

Big victory in last event. Edward Santiago has very solid numbers with this mare that point to a very solid contender. Benard Chatters's ROI with this horse (+88%) automatically make them a superior contender.

Trainer's recent ROI data (+76%) with this horse make a formidable wager. Last event doesn't bolster much faith. Tough to play this horse today - trainer on a down cycle within the recent past.

A campaigner coming back this quickly after a sharp contest is a good signal. Last win was a romp. This jock and handler's equines have been producing a beneficial return on investment.

Give this gelding a fair chance - ran a good race last time out within a month. Last race was solid. Trainer/Horse combination leaves much to be desired (12 starts, 8% wins, -39% ROI).

Tough to bet on this one after the disappointing stretch run in the last affair. His trainer has not done well with horses moving up the class ladder (25 starts, 0% wins, -100% ROI). Last affair doesn't encourage much confidence.

On a nice roll - can finish first again in today's event. Won by daylight in last event. Good return on investment for this rider and handler twosome.

Chris R Rosier and Rylee Magnon just haven't been winning together lately. Rylee Magnon has done exceptional sound with this gelding (30%). Recently, this jock just doesn't seem to be able to buy a win.
