Strong return on investment for this jockey and conditioner tandem. Conditioner is on a cold streak - hard to recommend. Didn't display much willingness during the stretch run last time - be cautious with him.

⚠️Helen Marie Vanek and Jr Nick Guy Mileni haven't been a winning combination recently. ⚠️Hard to figure this one winning after finishing in the back of the pack last time. ⚠️Just not a great bet - trainer not winning many races over the last month.

⚠️Jock and trainer haven't had much recent success together. ⚠️With Michael David aboard this equine, may have to let go of this gelding. ⚠️Don't see him as a sure thing after that last affair.

Shouldn't overlook this horse given the Dam's solid record with turf starters (14 starts, 21% wins). This is a horse that just doesn't win - can't play her. This questionable contender didn't finish near the front of the field last out.

Numerous positive 'sensations' attached to this pony and his stable. Tough to figure this animal winning after finishing in the back of the pack last time. Just not worth playing - trainer not winning many races lately.
