With Diego Emanuel De riding this equine, may have to skip this gelding. Trainer/Horse combination leaves much to be desired (9 starts, 0% wins, -100% ROI). This less than stellar equine hasn't won in his last ten races - he's probably not worth the value today.

Good return on investment for this rider and trainer duet. Strong price play - the rest of the crowd may miss out on this one, ranked well on power rating. A racer coming back this rapidly after a strong contest is a good sign.

Timothy P Murphy has done exceptionally strong with this gelding (22%). This gelding is in good physical condition - ran strong in last outing. Definitely a good wager with such a good power rating - could payoff big.
