The combination of Emmanuel Giles and Anthony Blea III isn't on track recently. Class jumpers out of this trainer's barn have not produced the best profits (-78% ROI) in this field. This filly is in exceptional condition right now - ran well.

Most horses make progress in the second outing after their first horse racing experience. A nice performance last time out. Absolutely one of the value wagers in this event given the power rating.

Don't see him as a sure thing after that last contest. Ben Delong's ROI with this horse (+44%) automatically make them a value contender. Tough to play this one after the disappointing stretch drive in the last race.

Travis Wales will put some dollars in your pocket with this equine and his power rating. Tough to wager on this horse after the disappointing stretch run in the last affair. Trainer is on a bit of a cold streak - hard to support.

Ben Delong has not recorded strong gains with this mare. Don't see her as a sure thing after that last race. Didn't show enough courage in the home stretch last time.

This gelding wilted down the homestretch - not a good omen. Recently, this trainer has produced competitive profits for players (+279% ROI) with horses moving down in class. Don't really like the recent effort - in the back of the pack.

Trainer/Horse combination leaves much to be desired (13 starts, 0% wins, -100% ROI). Hard to play Javier O Ortega right now - not enough scores recently. May have to pass on this one - handler hasn't had the best of luck within the recent past.

Shins may have some problems since they added front wraps in the last race. Hasn't scored a victory recently - not worth it on this equine today. Trainer has not produced the best results in this group of horses with horses moving up in class (22 starts, 5% wins, -81% ROI).

Bombs away - the general public may miss out on this animal, ranked well on power rating. Didn't show much fortitude during the stretch drive last time - be cautious with her. This less than stellar equine didn't finish near the front of the field last time around the track.
