Trainer Amy Nesbitt has not had much success with this mare (34 starts, 3% wins). Didn't exhibit enough grit in the stretch drive last time. Last affair doesn't bolster much confidence.

This horse coming off a sharp effort in the last month is definitely live. The jockey and conditioner duo have a lucrative return on investment when they team up. Nice effort by this filly last time out.

Don't really like the most recent try - in the back of the pack. Faded down the lane last time out - may do the same thing today. Conditioner is on a chilly streak - hard to encourage.

Javier Tavares has done exceptionally well (33% win) with this gelding. Could be tough to invest in after that last stretch drive. This jock/handler combo is not in sync right now - not a high win percentage together.

This gelding faded in the stretch - not a good omen. Tread lightly with this animal - connections have been a bit cold when teaming up. Difficult to figure this animal winning after finishing at the back last time.

⚡Tread lightly with this horse - connections have been a bit cold when teaming up. ⚡Can't make a habit of betting on ponies that rarely win. ⚡This mare is in nice physical condition, having run a nice race last time out.

⚡When Reynier Arrieta and John Wiese unite - the ROI has been great. ⚡Tough to invest in this animal after the disappointing stretch drive in the last event. ⚡Didn't finish near the front of the field last affair - might have to expect similar results.

☹️This pony coming off a sharp contest in the last month or so is definitely live. ☹️Finished in the back last time - not a ringing endorsement. ☹️A nice performance last out.

Tough to invest in this horse after the disappointing stretch drive in the last event. Trainer's recent ROI figs (+44%) with this mare make a quite good wager. Jockey and trainer haven't had much recent success together.

Give this mare a fair chance - ran a good outing last race out within a month. The addition of front wraps in the last race is usually a sign of waning form. Put forth a good performance in the last affair.

⚠️ This mare runs competitively under Scott Becker 's training. ⚠️ Didn't display much willingness during the stretch drive last time - be cautious with her. ⚠️ Finished in the rear of the field last time - not a great sign.

No substitute for experience - watch for an improved performance in the second start. Just not worth betting - conditioner not winning many races over the last month. Put forth a good performance in the last race.
