⚡Trainer has produced the top results in this group of contenders (30 starts, 17% wins) with horses looking for an easier spot. ⚡Trainer hasn't had the top win percent as of late - have to pass up. ⚡Tough to bet on a campaigner that loses so frequently.

Could run better than predicted by the rest with such a strong power rating - strong long shot play. Finished in the second half of the pack last time - not a ringing endorsement. Don't skip this filly in your propositions as Harry E Lynch knows how to get this horse ready.

A horse coming back this quickly after a strong contest is a good omen. Last time this mare hit the board.

Has discovered a great spot this time out. Was out of the top half of the field last time around the track. This mount will have a tough go today - she just doesn't win very often.

This jock/handler combo is not in sync right now - not a high win percentage together. Not in the top half of the field in the last race. Tough to play this gelding today - handler on a down cycle lately.

Rider and conditioner haven't had much recent success together. Lost ground down the stretch in the last affair. Condition is somewhat in question after the addition of wraps in the last event.

Have to like that latest effort where he ran strong. Lately, this jockey just doesn't seem to be able to buy a win. This gelding gets a boost with Julio E Felix in the saddle.

• A campaigner coming back this soon after a strong effort is a good sign. • Hasn't scored a victory recently - not worth it on this equine today. • John C Wainwright has not gotten the best out of this filly (18 starts, 6% wins).

• Javier Tavares and Jr Frank C Randazzo perform well when they work together - strong ROI together. • Tough to play this animal after the disappointing stretch run in the last affair. • Don't see her as a sure thing after that last contest.

⚡This horse coming off a sharp race in the last thirty days is definitely live.

🐾Class droppers out of this trainer's barn have produced some of the strongest gains in this group (+4% ROI).

🏇The stretch effort in the last event leaves much to be desired.

⚡Frank Reyes and Maximino Quinonez just haven't been clicking together recently.

🐾Can't make a habit of betting on horses that rarely win.

🏇This gelding has not run well under Maximino Quinonez 's training (0% wins).

👉 Don't really like the last try - in the back of the pack. 👍 This jock/trainer twosome has a strong ROI together. 👉 Didn't show enough mettle in the stretch last time.

⚡️ Didn't display much willingness during the stretch run last time - be cautious with him. ⚡️ Last affair doesn't inspire much faith. ⚡️ This steed will have a tough go today - he just doesn't win very often.

Trainer Teddy C Randazzo has not had much success with this gelding (27 starts, 7% wins). May have to let go of this one - conditioner hasn't had the best of luck these days. Tread lightly - stretch effort just wasn't nearly good enough last time out.
