Last time this gelding finished in the money. This Dam's foals have not produced solid board hit percentages when racing on the grass (11 starts, 0% wins, -100% ROI). Nice race last time, but the fact that there are no workouts since has to make one leery.

Players may be making a unsafe move with this jockey working with a first time starter (51 starts, 20% wins, +22% ROI). This gelding has the right bloodlines to become a nice grass horse. Good return on investment for this jock and trainer twosome.

Finished out of the top half of the field last time around the track. Herold Simms isn't on a hot streak as of late. Didn't exhibit much willingness during the stretch drive last time - be cautious with her.

Just not worth it - handler not winning many races over the last month. This filly is in good form - finished strong in last outing. A nice effort last out.

Strong return on investment for this jockey and conditioner duo. This less than stellar equine didn't finish near the front of the field last time out. May have to skip this animal - jockey hasn't had the best of luck in recent times.

Sebastian Pulgarin isn't on a winning streak as of late. Tough to wager on this animal after the disappointing stretch run in the last event. Don't really like the most recent venture - in the back of the pack.

Don't miss a chance with this this one given the Dam's solid record with turf starters (18 starts, 28% wins). Could be tough to play after that last stretch effort. Wesley A Ward has the stongest information in this group with starters moving down the class ladder (46 starts, 41% wins, +22% ROI).

Tareq Moubarak can make a nice score with this mount. Nice power rating. Joe Bravo and Tareq Moubarak haven't been a winning team recently. Tough to play this animal with this conditioner's lack of recent luck.

☹Last event doesn't inspire much confidence. ☹This gelding wilted down the homestretch - not a positive.

☹Last out this fine animal put forth a valiant effort. ☹Michael Lerman isn't on a real hot streak lately. ☹Should make this gelding a solid contender - he comes off a strong contest.

Jorge Ruiz and Miguel Clement just haven't been winning together recently. Class jumpers out of this trainer's barn have produced some of the best profits in this group of animals (56 starts, 16% wins, +17% ROI).

Michael Lerman can make a nifty score with this steed. Nice power rating. Tired in the lane last out. Tread lightly - try just wasn't really enough last time.

This gelding should be a price and has a strong power rating. Don't see him as a sure thing after that last affair. Samy Camacho and Brian A Lynch haven't been an inspiring combo lately.
