No substitute for maturity gained - watch for an improved performance in the second outing. Was rock solid last time out. This colt is in top condition right now - finished well.

Always like to invest on any entrant with a top power rating at a good price. Not betting on this one after the last try. Didn't display much fortitude during the stretch run last time - be cautious with him.

This Sire's foals have not produced positive profits when on the turf (53 starts, 8% wins, -64% ROI). He should show strong support based on Jockey stats (71 starts, 24% wins, +75% ROI). Could be tough to wager on after that last stretch drive.

Always love to take a chance on any mount with a top power rating at a good price. Tough to play this equine with this conditioner's lack of recent good fortune. Antonio Sano has not recorded strong profits with this gelding.

This colt's jock hasn't been getting too many wins over the last month. Handler is on a bit of a cold streak - hard to back. Finished in the back last time - not a great sign.

Have to watch out for this mount in this clash. Trainer/Horse combination leaves much to be desired (7 starts, 0% wins, -100% ROI). This gelding faltered in the stretch - not a good sign.

Tough to bet on a horse that loses so frequently. Mark Passley has not gotten the best out of this gelding (13 starts, 8% wins). Tread lightly with this horse - connections have been not in sync when teaming up.

When this jock and handler join forces you have to take a look. Michael Lerman has not recorded strong dividends with this gelding. Didn't finish near the top of the field last event - might have to expect the same.

Have to wager on him if he goes off at high odds with such a strong power rating. Lost ground down the stretch in the last race. Tough to play this colt today - conditioner on a down cycle of late.

This filly faltered down the homestretch - not a good sign. This less than stellar equine didn't finish near the front of the field last race out. Conditioner hasn't had the greatest win percentage lately - have to give a pass.

 Trainer's recent ROI data (+42%) with this mare make a really strong bet.  Sire's offspring have not shown good gains on the grass (9% wins, -43% ROI).  Have to be leery with mounts trained by Murat Sancal right now - on a chilly streak.

Tough to wager on this animal after the disappointing stretch drive in the last race. Could be right there at the finish based on decent results of the Dam's foals on the turf (63 starts, 19% wins, +23% ROI).

Last event doesn't restore much faith.

Can't belittle the in the money finish in the last race. This is a horse that just doesn't win - can't play him. A horse coming back this promptly after a strong race is a good sign.
