Last out this fine animal put forth a strong outing. This mare wilted in the homestretch - not a good omen. Jockey and handler haven't had much recent success together.

⚠ This horse didn't finish near the top of the field last out. 🐾 Trainer's recent ROI figures (+13%) with this mare make a very good wager. 🐾 Kara Lin McGuire hasn't been victorious when putting Agustin Gomez aboard a horse.

⚠ Expecting this race horse to run a big one this time out. 🐾 Finished in the second half of the pack last time - not a great endorsement. 🐾 Just not worth it - handler not winning many races these days.

Difficult to figure this one winning after finishing in the back last time. Trainer's recent ROI stats (+55%) with this mare make a quite good wager. Didn't display enough guts down the lane last time.

Last out this magnificent animal put forth a valiant effort. Second race - horse will mature off of the last race. Looked good last time, but no morning activity since is a bit troublesome.

Most horses make headway second time out after their first track experience. Miguel Angel Silva has not been among the best trainers with freshened horses. Don't see him as a sure thing after that last affair.

⚠️ Not making a bet on this horse after the last undertaking. ⚠️ The stretch effort in the last race leaves much up in the air. ⚠️ When Alexander Crispin and Joseph D Davis work together - the ROI has been wonderful.

Her trainer has not done well with entries when stretching horses out to route distances (25 starts, -51% ROI). The jock and trainer duo have a beneficial ROI when they partner up. Didn't finish near the front of the field last affair - might have to expect the same today.

Chaz Rechy has not gotten the best out of this filly (13 starts, 8% wins). Sire's turf offspring have been mediocre (128 starts, 3% wins, -78% ROI). Don't see her as a sure thing after that last affair.

This steed didn't finish near the front of the field last out. Wilted in the lane last time out - may do the same thing. This trainer has not done well recently with entries switching surfaces (20 starts, 5% wins).

Invest in this angle - coming back off a solid race within the last month or so. Class droppers out of this trainer's barn have not produced good dividends (-54% ROI). Have to gamble on her if she goes off at a price with such a strong power rating.

Out of the top half of the field in the last race. Jockey and trainer haven't had much recent good fortune together. Tough to play this equine with this conditioner's lack of recent luck.

Jockey and conditioner haven't had much recent good luck together. Have to be worried that this steed added front wraps last time out. Tough to play Francisco Quintero right now - not enough victories recently.
