Tough to figure this animal winning after finishing at the back last time. Tough to bet on Luis A Huaman right now - not enough victories recently. When Luis A Huaman and Juan Antonio Ascencio partner up - the ROI has been terrific.

Give this gelding a good chance - ran a strong outing in the last race within a month. This mount ran a nice one last out. This horse's handler hasn't been getting victories often recently.

Second lifetime start - horse could get better off of last effort. Weston Hamilton and Allen C Dupuy just haven't clicked together recently. Allen C Dupuy can make a nice score with this magnificent animal. Nice power rating.

Over the last month, this jockey has produced great profits for risk takers (18% wins, +13% ROI) with first time entries. A first-timer with this trainer - Dick Cappellucci wins a nice pct of the time in this situation. This horse really isn't bred to win first time out.

Justin R Evans hasn't been victorious when putting Amin Castillo on a horse. Hard to play this gelding today - jock's win percentage lately has been lackluster. Not investing on this one after the last effort.

The combination of Deshawn L Parker and Jerenesto Torrez isn't on track lately. Didn't show much fortitude during the stretch drive last time - be cautious with him. Dam's offspring have shown very good profits on the grass (18 starts, 33% wins, +32% ROI).

Rene Diaz and Shon M Dunlap haven't been an inspiring combo lately. This gelding faltered in the stretch - not a positive. May have to pass on this one - conditioner hasn't had the best of luck of late.

⚠️The rest of the crowd should undervalue his chances; rates well on power rating. ⚠️Lately, this rider just doesn't seem to be able to buy a win. ⚠️Don't really like the last effort - in the back of the pack.

This horse coming off a sharp performance in the last 30 days is definitely live. The stretch effort in the last affair leaves much to be desired. Second race - horse could mature off of last.

Rider and conditioner haven't had much recent good luck together. Have to be particularly concerned about any animal that has added front wraps in the last event. Not investing on this one after the last attempt.
