⚡ His trainer has not done well with horses moving up the class ladder (27 starts, 7% wins, -41% ROI). 🐾 This rider/trainer combo is off kilter right now - not a high win percent together. 🐾 Not making a wager on this animal after the last undertaking.

⚠️Always like to put some dough on any racer with a top power rating at a good price. ⚠️This jock/handler combo is a bit cold right now - not a high winning percentage together. ⚠️This pony hasn't won in her last ten tries - she's probably not worth the value today.

Last race doesn't inspire much confidence. Kent Knudsen has not recorded strong gains with this filly. The stretch effort in the last event leaves much up in the air.

The public could underrate her chances; rates well on power rating. Tread lightly - effort just wasn't enough last time out. Turf numbers for this Dam's offspring have not been good (18 starts, 6% wins, -82% ROI).

☞Tough to bet on this one after the disappointing stretch drive in the last affair. ☞Dam's turf foals have been profitable prime bets of late (55 starts, 18% wins, +52% ROI). ☞Tread lightly - try just wasn't enough last time out.

☁️Turf starters out of this Dam have produced some of the top profits in this group of contenders (34 starts, 18% wins, +105% ROI). ☁️Tough to play this animal with this conditioner's lack of recent success. ☁️The rest of the crowd could miscalculate his chances; rates well on power rating.

Conditioner is on a losing streak - hard to support. Have to be worried that this questionable contender added front bandages last out. Tough to wager on this horse after the disappointing stretch drive in the last event.

Have to wager on him if he goes off at a nice price with such a strong power rating. Didn't display enough fighting spirit in the home stretch last time. The combination of Michael Y Pagan and Julie Stansbury isn't on track lately.

Tread lightly with this one - connections have been off kilter when teaming up. Kent Knudsen has not recorded strong profits with this filly. Tread lightly - attempt just wasn't good enough last time.

This filly wilted down the lane - not a positive sign. Looked like she was in good form last outing - hasn't been near the track since then though. Last out this fine animal put forth a strong attempt.

Clearly one of the good values in this dash given the power rating. Don't really like the latest venture - in the back of the pack. Finished in the money last time out.

Don't knock the in the money finish last out. Joy P Bernardini's ROI with this horse (+8%) automatically make them a value contender. The rest of the crowd will think too lightly of his chances; rates well on power rating.
