Sara Stanoszek isn't on a hot streak as of late. Have some doubts when any equine has front wraps added in the last contest. Could be tough to bet on after that last stretch performance.

This gelding runs admirably under Denis Cluley's training. Kevin Gonzalez has solid numbers with this gelding that point to a very solid contender. Give this gelding a good shot - ran a good race last time around the track within a month.

A pony coming back this quickly after a nice contest is a good sign. Last event doesn't encourage much confidence. Gamblers should feel comfortable with this choice given the solid Trainer/Horse record (10 starts, 20% wins).

⚡Tough to wager on this horse after the disappointing stretch drive in the last affair. ⚡May have to let go of this horse - trainer hasn't had the best of luck over the last month. ⚡Can't make a habit of betting on ponies that rarely win.

Don't really like the recent venture - in the back of the pack. Dam's turf offspring have given really strong profits (35 starts, 17% wins, +100% ROI). Handler is on a cold streak - hard to stand behind.

Wilted down the lane last time around the track. Tough to play Miguel L Martinez right now - not enough victories recently. Shins may have problems since they added front bandages in the last contest.

Flattered in the lane last out - may do more of the same. Could be right there at the finish based on competitive results of the trainer (17 starts, 24% wins) with recent claims. Don't really like the recent attempt - in the back of the pack.

Can't win big without betting big odds - worth a stab with such a good power rating. Hard to gamble on these non-winning types on the win end.

⚡ This beautiful animal ran a nice one last time. ⚡ Less than stellar equine added bandages in his last contest - not a good sign. ⚡ Tough to play this horse with this trainer's lack of recent good fortune.

Finished in the money in the last race. Have to like that last effort where he ended up strong. Didn't exhibit enough fighting spirit down the stretch last time.

Maikol Vilchez and Melinda K Sanders just haven't been winning together lately. Have to be worried that this mount added front bandages last race out. This pony hasn't won in his last ten efforts - he's probably not worth the value today.

Not betting on this animal after the last effort. Wilted down the stretch last out. Can't make a habit of betting on ponies that rarely win.

Ramon Preciado can make a nifty score with this steed. Nice power rating. Don't really like the last effort - in the back of the pack. He doesn't have the winning temperament, tough for him to find it today.
