Deshawn L Parker and Anthony Farrior perform well when they partner up - strong ROI together.

This questionable contender didn't finish near the front of the field last out.

This gelding runs very well under Anthony Farrior's training.

Figuring this horse to run a good one this time around. Have to be a little shy about any equine that has added bandages in the last event. Hasn't scored a victory recently - not worth it on this equine today.

A nice performance in the last race. Have to be apprehensive of any horse that has added front wraps in the last contest. The lack of morning blow outs is troubling despite the nice performance in the last race.

This gelding is tried right back into a race in less than 10 days - positive sign. Can't make a habit of betting on horses that rarely win. This gelding has not run well under Jose Luna Silva's training (0% wins).

A strong effort last time out. A campaigner coming back this soon after a strong race is a good omen. This mare runs very well under Stephani Norris's training.

Jockey's recent ROI data (7 starts, +289% ROI) with this mare make a decent wager. Handler has had difficulty winning races of late. When this rider and trainer unite you have to take a look.

Last event was a good effort. Looked good last time, but no morning activity since is a bit troublesome. This rider/conditioner combo is cold right now - not a high winning percentage together.

⚡Michael Y Pagan and Jon Paul Silva haven't been a winning combination lately. ⚡Could be tough to invest in after that last stretch performance. ⚡An able racer that's been going good, but she's been off the track in the mornings recently.
