Players may be making a hazardous move with this jockey given his record working with a first time starter (39 starts, 5% wins, -83% ROI). Risk takers may be making a very risky move with this jockey working with 2 year olds (52 starts, 6% wins). Jose Antonio Gomez and Kelly J Breen haven't been an inspiring combo lately.

No substitute for education - watch for an improved performance in the second start. Tough to figure this horse winning after finishing in the back last time. Trainer has had an awful time winning races within the recent past.

☞Sire's turf foals have not been profitable prime bets lately (-30% ROI). ☞Gamblers should feel comfortable with this pick given the solid Trainer/trainer record (20 starts, 15% wins). ☞Hard to play any equine that can't even score one time in her last ten races.

Nice return on investment for this jock and handler tandem. Dam's turf figures support this choice (37 starts, 16% wins, +62% ROI). Give this filly a good chance - ran a solid contest in the last race within a month.

The public could think too lightly of her chances; rates well on power rating. This jock/conditioner combo is a bit cold right now - not a high winning percentage together. Tough to bet on a racer that loses so frequently.

Was solid last time out. Can't make the big dough without betting high odds - worth a shot with such a good power rating. Chuck Spina brings her right back - advise you stick with this noble animal.

Dam's turf offspring have given really strong returns (12 starts, 17% wins, +7% ROI). Tread lightly - attempt just wasn't really enough last race. Hasn't scored a victory recently - not worth it on this animal today.
