Has a high power rating and should go off as an overlay - take a stab. Recently, this jock and handler haven't been winning when they team up. Tread lightly - stretch effort just wasn't nearly good enough last out.

Luis Alberto Batista could put some nice dollars in your pocket with this animal and his power rating. Luis Alberto Batista and Rey Juarez-Mendoza perform well when they team up - strong ROI together. Don't really like the recent attempt - in the back of the pack.

Tough to wager on this one after the disappointing stretch drive in the last affair. Have to be leery with entries trained by Emily Szczepanski right now - on a cold streak. Finished in the back of the pack last time - not a great sign.

Conditioner hasn't had the greatest win percentage lately - have to skip. Karyn Wittek's ROI with this horse (+25%) automatically make them a value contender. Recently, this rider and conditioner haven't been winning when they combine forces.

Won by a big margin last out. This racer coming off a strong try in the last month or so is definitely live.

☹The lack of morning blow outs is troubling despite the nice effort in the last event. ☹Was steady last time. ☹Didn't finish near the top of the field last event - might have to expect more of the same.

Has solid jockey statistics (45 starts, 18% wins) with 2 year olds to back up this choice. Sire's offspring have not hit the track with much good fortune in first-time efforts. Sizeable gains can be had by gambling on first time starters out of the Robert M Gorham barn.
