Emmanuel Esquivel will put some money in your pocket with this equine and his power rating. Emmanuel Esquivel and Genaro Garcia perform well when they partner up - strong ROI together. Tread lightly - effort just wasn't really enough last time out.

Tread lightly with this one - connections have been off kilter when teaming up. Last win was an easy one. Have to be leery with mounts trained by Ruben D Alvarado right now - on a losing streak.

Always like to place a bet on any horse with a top power rating at a good price. Recently, this jock and handler haven't been winning when they team up together. Tough to play this horse with this conditioner's lack of recent good fortune.

Always like to take a risk on any racer with a top power rating at a good price. Don't really like the last venture - in the back of the pack.

Trainer Genaro Garcia has not had much success with this gelding (8 starts, 0% wins). Didn't finish near the top of the field last event - might have to expect the same result today. Hard to gamble on these non-winning types on the win end.

Ingrid Mason can make a nifty score with this magnificent animal. Nice power rating. Just not worth playing - handler not winning many races of late. Don't like the plain fact that front wraps were used last race.

Needs to be considered as Norman McKnight has been among the greatest trainers (+25% ROI) with recent claims. This jockey and conditioner have a profitable ROI when they work together. Trainer has not produced the best results in this field with horses moving up in class (32 starts, 3% wins, -87% ROI).

Jockey hasn't had the top win percentage as of late - may have to take a pass. Lost ground in the homestretch in the last event. Wagerers will find this trainer's horses have solid numbers (155 starts, 20% wins) going long for the 1st time.

⚠️ This questionable contender didn't finish in the top half of the field last out. ⚠️ Lost ground in the lane in the last race. ⚠️ The jockey and conditioner duo have a profitable ROI when they partner up.

Don't see him as a sure thing after that last contest. This jockey/handler tandem has a profitable return on investment. Trainer Norman McKnight has not had much success with this gelding (6 starts, 0% wins).

The combination of Tyler W Bacon and Jr H Ray Ashford isn't on track lately. Difficult to figure this one winning after finishing near the rear last time. Runner added bandages in his last event - not a good sign.

The tantalizing odds make this one a nice play with such a strong power rating. Recent claims from this trainer's barn have not produced the best returns in this group of the horses in this race (-100% ROI). Have to be leery with horses trained by John Alexander Ortiz right now - on a bit of a cold streak.

Trainer has not produced the best results in this group of horses (0% wins) with recent claims. May have to let go of this horse - conditioner hasn't had the best of luck lately. Jr Ricardo Santana and Aaron Shorter just haven't clicked together recently.

Tread lightly - effort just wasn't enough last out. Horses off the layoff from this trainer's barn have not produced the best returns in this group of horses (29 starts, -81% ROI). Tough to play this horse with this handler's lack of recent success.

No substitute for experience - watch for an improved performance in the second outing. This horse's handler hasn't been getting wins often lately. This less than stellar equine didn't finish near the front of the field last time around the track.
