Can't make big money without betting high odds - take a stab with such a good power rating. Didn't exhibit much intestinal fortitude during the stretch drive last time - be cautious with him. Tough to play this animal with this conditioner's lack of recent good fortune.

Have to be leery with entries trained by John Haran right now - on a cold streak. Jock hasn't had the highest win percentage lately - may have to pass up.

Just not a great bet - conditioner not winning many races within the recent past. This horse is in excellent physical condition right now - finished well. The combination of J Padron-Barcenas and John Haran isn't on track recently.

The jock and conditioner duo have a positive return on investment when they are put together. Danny Pish has not gotten the best out of this gelding (14 starts, 0% wins). This campaigner coming off a sharp race in the last month is definitely live.

Good power rating - morning line odds underestimate this gelding's probabilities - good price potential. Abel Cedillo and Armando Hernandez haven't been a winning combo recently. An on the board effort last time out.

Have some doubts when any horse has bandages added in the last event. Tough to bet on a racer that loses so frequently.

Dallas Stewart has solid numbers with this filly that point to a very strong contender. Lost ground down the lane in the last race.

A pony coming back this promptly after a solid race is a good sign. This rider/trainer combo is a bit cold right now - not a high win percentage together. Put forth a strong performance in the last event.

Front wraps were added in the last race - doesn't bode well for today's affair. Rider and handler haven't had much recent luck together.
