Tough to play this gelding today - conditioner on a down cycle lately. Last affair doesn't encourage much confidence. Didn't show much courage during the stretch drive last time - be cautious with him.

Last time this mare was in the money. Trainer Bruce M Kravets has not had much success with this mare (27 starts, 7% wins). Tough to bet on a racer that loses so frequently.

☹️Lately, this rider and handler haven't been winning when they team up. ☹️Not betting on this horse after the last attempt. ☹️Just not worth it - trainer not winning many races lately.

☹️Last race was a strong try. ☹️Tough to play this animal with this conditioner's lack of recent luck. ☹️This mare is in good physical condition, having run a good race last time out.

When this jockey and conditioner team up you have to take a look. Have to love that most recent effort where he finished strong. This trainer has not produced good gains with entrants moving up in class (55 starts, 4% wins, -70% ROI).

⚠️He doesn't have the winning attitude, tough for him to find it today. ⚠️Risk takers may be making a risky move with this jockey/horse combination (12 starts, 0% wins). ⚠️Conditioner is on a bit of a cold streak - hard to support.

Good power rating - given odds underestimate this gelding's probabilities - strong price play. Finished in the rear of the field last time - not a great endorsement. Can't make a habit of betting on horses that rarely win.

Can't win big money without betting long shots - worth a stab with such a good power rating. This horse's handler hasn't been getting wins often recently. Trainer Jr Robert A Wolfe has not had much success with this filly (12 starts, 8% wins).

Didn't display enough fighting spirit in the lane last time. Just not worth betting - conditioner not winning many races in recent times.

Didn't finish in the top half of the field last event - might have to expect more of the same today. Class droppers out of this trainer's barn have produced some of the strongest returns in this group of contenders (+6% ROI). This filly faltered down the lane - not a positive signal.
