Good power rating - morning line odds underestimate this gelding's chances - have to play at a price. The stretch display in the last event leaves much to be wished for. Finished in the second half of the pack last time - not a terrific sign.

Have to be concerned about any equine that has added wraps in the last dash. Lost ground down the lane in the last race. May have to let go of this animal - conditioner hasn't had the best of luck of late.

 Finished out of the top half of the field last time out. Trainer/Horse combination leaves much to be desired (12 starts, 8% wins, -3% ROI). Didn't exhibit much willingness during the stretch run last time - be cautious with him.

Don't really like the most recent venture - in the back of the pack. This rider is on a bit of a cold streak. Joey Martinez has done exceptionally really strong with this gelding (29%).

He doesn't have the winning spirit, tough for him to get it today. This gelding has not run well under Robert A Werneth's training (0% wins). Hard to play this gelding today - jock's winning percent as of late has been lackluster.

This gelding runs admirably under Cody Beattie's training. Ran well in last outing, but hasn't had even one work since then. When Inoel Beato and Cody Beattie combine forces - the return on investment has been great.

Have to like that most recent outing where she ran strong. This mare gets a boost with Angel R Rodriguez in the saddle. Needs to be considered as Brandon L Kulp has been among the best trainers (+21% ROI) with recent claims.
