Good power rating - likely odds underestimate this gelding's possibilities - strong price potential. This gelding faltered in the stretch - not a good omen. Last time this gelding hit the board.

Ended up in the top three in the last race. Wilted in the stretch in the last race - may do the same thing. Martin Chuan and Timothy C Kreiser perform well when they combine forces - strong ROI together.

⚡ This filly should give a good account of herself in today's affair. ⚡ Didn't exhibit much fortitude during the stretch run last time - be cautious with her. ⚡ Didn't finish near the front of the field last event - might have to expect more of the same today.

🐾 Last race doesn't inspire much confidence. 🐾 Keep this filly in your exotics as Steven Krebs has been very successful with this horse (13 starts, 23% wins). 🐾 Tough to bet on this one after the disappointing stretch run in the last event.

⚡Investors beware of this trainer when dropping horses in class (47 starts, 17% wins). ⚡Like the fact this mare is back in a race so quickly. ⚡The combination of Sebastian Orellana and Jorge Diaz isn't on track recently.

Nice performance by this gelding last out.

Have to like that recent outing where he finished strong.

Beautiful animal is on a nice roll - may keep on rolling.

Will run better than expected with such a strong power rating - strong price potential. Didn't finish in the top half of the field last event - might have to expect the same result today.

This beautiful animal ran a nice one last race. Give this filly a good chance - ran a strong race last out within a month. Tough to bet on this horse after the disappointing stretch drive in the last race.

May have to let go of this one - rider hasn't had the best of luck within the recent past.

Lost ground in the lane in the last event.

Finished in the back half of the field last time - not a terrific sign.
