This less than stellar equine didn't finish near the front of the field last race out. This mare is entered right back into a race so quickly - she's fit and ready. She doesn't have the winning nature, tough for her to gain it today.

Kevin Rice has not gotten the best out of this gelding (7 starts, 0% wins). Didn't finish in the top half of the field last affair - might have to expect the same result today. Tough to wager on this one after the disappointing stretch drive in the last affair.

This beautiful animal should be thundering in the lane. Scooter Davis has not recorded strong dividends with this gelding. The stretch display in the last affair leaves much to be desired.

Really have to believe this fine animal is going to be very close at the finish line. Antonio A Gallardo and Jeff W Zook haven't been a winning combination lately. Trainer hasn't had the top winning percentage lately - have to pass.

When this rider and trainer join forces you have to take a look. Difficult to figure this animal winning after finishing in the back last time. Rory M Barron can make a nice score with this mount. Nice power rating.

⚠️This horse is back soon - sprinters that come back quickly are generally good plays. ⚠️Good power rating - likely odds underestimate this horse's probabilities - play at a price. ⚠️Tough to figure this animal winning after finishing at the back of the pack last time.

With Walber Alencar atop this equine, may have to skip this gelding. This rider/handler combo is off kilter right now - not a high win percent together. Trainer Randall R Russell has this gelding ready to roll. Good team.
