This mare should give a strong account of herself in today's race. Didn't finish near the front of the field last race - might have to expect the same result today.

Not in the top half of the field last time out. Keep this gelding in your exotics as Gaddiel A Martinez has been very successful with this horse (8 starts, 38% wins). Tough to bet on this one after the disappointing stretch run in the last event.

The stretch try in the last race leaves much to be desired. Not investing on this horse after the last effort.

Walber Alencar has sharp numbers with this filly that point to a very solid contender. Tough to play this animal with this trainer's lack of recent good luck. Could be tough to wager on after that last stretch effort.

A racer coming back this rapidly after a nice race is a good omen. Keep this mare in your exotics as Tim Girten has been very successful with this horse (30 starts, 23% wins). On a nice winning skein - can repeat again in today's race.
