Figuring this horse to run a big race today. Difficult to figure this animal winning after finishing in the back of the pack last time. Tired in the home stretch last time around the track.

Rider and trainer haven't had much recent success together. May have to skip this one - conditioner hasn't had the best of luck lately. Finished in the back half of the field last time - not a terrific sign.

Ron G Potts has an above average ROI (+59%) with this horse. Tough to bet on this horse after the disappointing stretch drive in the last race. Huber Villa-Gomez's ROI with this horse (+24% ROI) automatically make them a solid contender.

This trainer has entries that have consistently produced decent board hit percentages when jumping up in class. Tread lightly - stretch effort just wasn't strong enough last time out. Trainer/Horse combination leaves much to be desired (7 starts, 0% wins, -100% ROI).

Don't pass on this mare in your wagers as Aldana Spieth knows how to get this horse ready. Tread lightly - effort just wasn't nearly good enough last out. Scott Spieth has done exceptionally well (42% win) with this mare.

This jock and handler have a positive return on investment when they combine forces. Didn't display enough courage in the stretch drive last time. This less than sharp equine didn't finish near the top of the field last out.

Victor Severino and J Michael Rogers perform well when they work together - strong ROI together. This is a racer that just doesn't win - can't play her. This pony coming off a strong try in the last thirty days is definitely live.

Keep this gelding in your exotics as Il James L Lawrence has been very successful with this horse (21 starts, 19% wins). Trainer is on a cold streak - hard to support. This campaigner coming off a strong performance in the last 30 days is definitely live.
